Bikepacking

Gaming

Spearfishing

PERSONAL PROJECTS

patterns

<https://github.com/Lajule/patterns>

Popular design patterns written with C++ template classes.

ljs

<https://github.com/Lajule/ljs>

Little JSON Server is a "build your own" version of the famous **JSON Server** written in less than 500 lines of C.

dice

<https://github.com/Lajule/dice>

Roll a dice from the command line.
